

ASKS COUNTY AGENT FOR LOCAL SURVEY

ARTHUR M. HYDE, SECRETARY OF AGRICULTURE, MAKING COUNTY BY COUNTY SURVEY

ASKED BY PRESIDENT HOOVER

Local Conditions Resulting From Drought Will Be Outlined By Floyd Miller

A survey of crop and farming conditions, resulting from the present nationwide drought, is being conducted by Arthur M. Hyde, secretary of agriculture, at the request of President Herbert Hoover.

In connection with this survey, County Agent Floyd Miller of Putnam county, received the following telegram Saturday:

"Washington, D. C., Aug. 7, '30."
"F. W. Miller, Agricultural agent, Putnam County, Greencastle, Ind."
"President Hoover is deeply concerned over drought and possible evil consequences to farm families, relief measures are dependent upon accurate information of needs of each county affected. The President has directed this department to make a survey of stricken area, county by county, covering following points:

"One, percentage of damage to grain crops; also forage crops based on present condition and assuming normal rainfall in future.

"Two, number of farm families unable to purchase feed for their livestock and approximate amount of feed above county's resources required to carry through winter.

"Three, nearest points where feed can be had.

"Four, how long available feed will last.

"Five, extent to which local authorities and interests have helped or can help.

"The human side of problems is particularly appealing. Hope local interests will co-operate to hold livestock and avert evil consequences of panic selling.

"Wire your report and include suggestions of possible measures of relief.

ARTHUR M. HYDE,
Sec'y of Agriculture."

Greeley Bryant Died Suddenly

WIDELY KNOWN COATESVILLE MERCHANT DIED AT STORE SATURDAY MORNING

Greeley Bryant, veteran merchant of Coatesville died suddenly soon after opening his store Saturday morning. His body was found by Drue Coffman some little time after his death.

Mr. Bryant was widely known in the eastern part of the county, as he had been in business in Coatesville for many years.

Mr. Bryant was 65 years of age and has been in the general mercantile business for the past 32 years. He was associated with Mr. Draper who retired three months ago because of ill health.

Mr. Bryant is survived by the widow and two granddaughters, Mrs. H. A. Hessler, Plainfield, and Mrs. Paul Herod, Coatesville; one brother, Herman of Cincinnati; and five sisters, Mrs. J. E. Sharp, Mrs. Frank Draper, Mrs. O. O. Elrod, Coatesville; Mrs. Clara Kimmel, Berkeley, Calif.; and Mrs. Laura Bryant, Ithaca, N. Y.

The funeral will be held from the home Monday afternoon at two-thirty o'clock, and will be in charge of the Masons. Burial will be in the Coatesville cemetery.

BANDITS GET \$12,000

DAYTON, O., Aug. 9 (UP)—Two youthful bandits held up Francis Manigan, superintendent of the H. R. Bieg company here shortly before 10 o'clock today and escaped with the payroll totalling between \$10,000 and \$12,000.

WOMAN IS SUICIDE

NEAR NEW MARKET
NEW MARKET, Aug. 9.—Mrs. Dorothy Ellen Williams, age 30, of Chicago, committed suicide early Friday morning at the home of her uncle, Allen Spenc, residing four miles west of this place. Despondency over ill health was thought to have been the cause of the act. Mrs. Williams had been visiting at the home of her uncle for some time.

Mrs. Williams took her life by shooting her self with a small calibre rifle. She was found wounded in a room on the second story of the home at 5 o'clock Friday morning. She died at 7:30 o'clock.

FARM AID GIVEN IN PHONE DENIAL

Economic conditions affecting the farmer, aggravated by the unprecedented drought of the last several weeks, received official cognizance by the public service commission yesterday when two petitions for rate increases by Indiana telephone companies were continued for ten months.

The two companies, the Ladoga Telephone company and the Southern Indiana Telephone and Telegraph Company, serve rural communities as the major portion of their businesses.

The Ladoga order was written by John W. McCordie, chairman, and Jere West, member of the commission.

DPU SUMMER SCHOOL ENDS ON SATURDAY

PROF. GREENLEAF'S REPORT SHOWS AN INCREASE IN ENROLLMENT

TOTAL OF 132 STUDENTS

Special Courses Were Offered During Summer At DePauw. Fall Term Starts Aug. 10

Summer school at DePauw University officially closed today. Many of the students completed their final examinations earlier in the week and departed for home. A total of 109 were enrolled in liberal arts courses and 23 majors were taking work in the music school.

Prof. H. E. H. Greenleaf, director of the summer session, reported an increase in enrollment over last year. Efforts were made to offer courses that would be of special interest to teachers who must meet state board requirements for teaching license. New courses were offered in the department of physical education.

Freshman registration for the fall term begins September 10 and for upperclassmen September 12. Recitations and lectures will start Monday, September 15. Many of the fraternity and sorority houses on the campus are already beginning to clean up their properties and make repairs in preparation for the rushing season.

With the granting of six more scholarships to the list already announced, the total has been raised to 291. Other applications have been forwarded from the office of the director to Dr. Henry B. Longden, who is on his vacation during the present month. The six to whom scholarships were awarded are:

Robert Stevens, Angola; Richard Schilling, Indianapolis; Floyd W. Swager, Cromwell; Paul Whitehouse, Grant City, Ill.; Jack E. Clark, New York City, and Donald Daoust, Gary.

CORN PRICES SOAR

CHICAGO, Aug. 9 (UP)—Another blistering day of intense drought sent corn prices climbing on the Board of Trade today while wheat shot upward under the impulsion of strong foreign cables and a bullish Canadian crop report. Liverpool was unexpectedly and exceptionally strong with a very firm undertone on a sustained demand due to unsettled European weather and steady Canadian offers. Advances were uneven and rather sharp. Oats trailed the major cereals in a lesser swing.

Fear Epidemic At Bloomington

THREE CASES OF INFANTILE PARALYSIS REPORTED IN TOWN SOUTH OF HERE

BLOOMINGTON, Aug. 9.—Bloomington is due to have a widespread epidemic of infantile paralysis this season, medical critics asserted today.

There have been a few sporadic cases of the disease in outlying districts of the city for the past few seasons, and according to the history of infantile paralysis, a general epidemic is now due to spread here it was authoritatively stated.

Two Bloomington children are now being treated for infantile paralysis in the Riley hospital at Indianapolis, and a third is stricken at the home of her parents, south of the city.

Under treatment of convalescent serum, Warren Fyffe, 8, and Walburn Dalton, 9, are recovering from attacks of the children's disease in the Riley hospital. Beverly Anadel, 3, daughter of Mr. and Mrs. M. B. Anadel, has her right leg in a brace. She was stricken two weeks ago. Hope is held that the child's leg will not be permanently impaired by paralysis.

Parents are warned to use all precautions to prevent the spread of the feared epidemic.

BUSINESS OUTLOOK IS OPTIMISTIC

REPORTS RECEIVED FROM ALL POINTS THAT CONSTRUCTION OPERATIONS ARE PLANNED

EMPLOYMENT TO IMPROVE

Samuel Insull Plans Expenditure Of \$2,500,000 In Calumet District.

INDIANAPOLIS, Aug. 9 (UP)—Optimism is manifest in business circles throughout the state as reports are received from all points that large construction operations are planned and factories are beginning fall production.

Announcement has been made that Samuel Insull, mid-continent utility magnate, has ordered construction of additional power plants and power lines in the Calumet industrial district in a program calling for expenditure of \$12,500,000.

This construction is to start at once. The additional power plants will be the second and third units of the State Line Generating Company, which will be larger than the present building.

Contracts for two new huge generators have been awarded, one to the General Electric Co., and the other to the Atlas Chalmers Company of Milwaukee. The first generator will have a capacity of 125,000 kilowatts and the second of 132,000 kilowatts.

Construction contracts are to be let next week and work is to start immediately.

A \$2,500,000 line also will be constructed to supply power to industries along the Indiana Harbor Ship canal. The power will come from the state line plant and the Youngstown Sheet and Tube Co. Indiana Harbor will provide the high tension cable for underground installations.

An expansion program calling for the expenditure of \$500,000 will be started within the next two weeks by Serval Inc., at Evansville, according to announcement of H. H. Spinford, chairman of the board of directors. The construction program will enable the plant to go ahead with manufacturing of a full line of refrigerators.

Full production will be started Sept. 1, at the new Warner Gear Co. factory at Muncie, E. B. Baitley, second vice-president of the company, announced. About 50 men now are at work testing machinery for the manufacture of 2,000 transmissions a day. When the plant is operating at full capacity between 500 and 600 workers will be employed.

Normal operations will be resumed next week at the Ames Shovel and Tool factory at Anderson, with a full force of 180 men. The plant has been idle several months pending erection of two new buildings replacing the section of the factory destroyed by fire. The buildings have been completed and practically all of the machinery installed.

What probably is the largest contract ever to be awarded a limestone company had been obtained by the Shawnee Stone Company, according to word from Bloomington. This contract calls for forty-four mammoth sculptured panels and 350 feet of elaborately carved parthenon frieze. This work, for the Chicago Museum of Fine Arts, was not awarded in the original contract upon which the central mill of the company has been working since the first of the year. The figure involved has not been disclosed.

(Continued On Page 2)

Awarded Contract To Move Beacon

RALPH CRAWLEY IS LOW BIDDER FOR WORK AT LOCAL AIRPORT

Ralph Crawley, Greencastle man, submitted the low bid Friday when estimates were opened at the local postoffice, for moving the air beacon at the government airport southeast of town. Five bidders submitted estimates on the work.

Mr. Crawley probably will start work as soon as his bid is approved by government officials.

A change in the original layout of the local government intermediate landing field made it necessary to remove the huge beacon light from its original location at the northwest corner of the field to a new location 150 feet north.

A new base will be constructed and the beacon light dismantled and replaced on the new base.

KEEP TAXES DOWN

"Organization," says the Indiana Taxpayers' Association, "is the method whereby the citizens of Indiana may have more economical government. In counties having strong and aggressive organizations of taxpayers, there is little waste found and a tendency to reduce rates. Where there is no directing hand for the taxpayers, their complaints against high rates and extravagance are futile. As the taxpayers form themselves together to protect their own interests they express public opinion in such a determined manner that officials take heed and economy becomes a fixed principle."

EDUCATIONAL FEATURES AT COUNTY FAIR

WILL ATTEMPT TO MAKE UP FOR LACK OF ADULT EXHIBITS WITH OTHER THINGS

JUDGES ARE SELECTED

Prof. C. F. Goble and Mrs. Harry Stevenson To Judge Boys and Girls Exhibits

Additional features in the way of education and entertainment, have been added to the program of the Putnam County 4-H Junior Fair next Thursday, Friday and Saturday, to offset the lack of adult exhibits, it was pointed out at an interesting meeting of the Fair Board Friday evening.

Members of the Fair Board stated that more interest is being manifested than was expected and various committee heads reported splendid progress in their departments. If work on the Fair is continued at the present pace, a splendid Fair is assured, it was said.

Educational exhibits secured for the Fair include one on the European corn borer which will reach Putnam county within a few years. The methods of control and combative measures will be shown to the farmers in a booth prepared for this purpose.

A Farm and Business booth will stress the importance of farm management in farm business. Farm record books kept in the county during the past two years will be an important part of this booth exhibit.

A 4-H club booth will explain what a 4-H club is, how it is handled, and how boys and girls can become members. Literature will be handed out to interested persons by 4-H Club members.

Another important educational feature will be a limestone booth where the use of limestone on farms in this section will be pointed out. Samples of soil brought in by farmers will be tested at the booth and the limestone requirements of that particular soil explained.

Fair concessions will consist of practically the same amusement devices as heretofore, it was said, including a chair-plane, ferris wheel and merry-go-round.

A program of entertainment will be put on each night. Quartets and old-time fiddlers will perform the first night; 4-H clubs will put on a program of readings, songs, and stunts the second night in addition to a style show. Winning demonstration teams also will appear that night. A pet parade Saturday afternoon will be a feature the final day. Tug-of-war teams from the various townships are also scheduled to do their stuff each night, with the finals scheduled for Saturday night.

An industrial tent will be located on east Washington street and probably will be larger than ever, according to Jacob Hirt, chairman of the industrial committee.

Eugene Akers, of Bainbridge, in charge of the livestock exhibits by 4-H club boys, stated that a show ring will be used for the livestock exhibits, thus enabling everyone to see better.

Prof. C. F. Goble of Purdue University, will judge all livestock and also will be in charge of the boy's judging contest Thursday afternoon.

Mrs. Harry Stevenson, of Bloomington, will judge all 4-H club girls' exhibits and demonstrations.

GRASSHOPPERS CONCENTRATE
MT. VERNON, Aug. 9 (UP)—The phalanx of grasshoppers near the Posey-Vanderburg county line showed a disposition of contentment today, and remained within a 70-acre field infested earlier, bringing complete destruction there.

Rggs were in uncultivated tracts were included in the diet chosen by the famished insects.

Farmers have abandoned efforts to destroy the pests by poison since all attempts have failed due to lack of moisture.

AIRCRAFT GUNS SEARCH LIGHTS TO BE SHOWN

61ST COAST ARTILLERY OF U. S. ARMY WILL SPEND NEXT TUESDAY NIGHT IN CITY

GUNS HAVE LONG RANGE

Both Searchlights And Guns Electrically Timed. Coast Artillery Detachment Coming On Tuesday.

If Greencastle people want to see search lights with 800,000,000 candle power each, and anti-aircraft guns which will shoot accurately about 6 miles in the air, or will shoot 9 miles elevated normally, as well as to see these guns electrically timed with the search lights and fired automatically, they want to visit the Handy farm next Tuesday night when the 61st Coast Artillery of the U. S. Army stops off here enroute from Camp Knox, where they have been in summer training, to Fort Sheridan, their home base.

The guns are the latest anti-aircraft guns developed. They are so electrically operated by one man that the operator picks up the noise of an airplane at a great distance. He then turns three cross beams in that direction until the ship is sighted and automatically the crossed lights and the guns are focused on the ship and the guns can be fired 25 to 30 times a minute. The shells weigh about 15 pounds each. They will not be fired here because of the noise and destruction they might create.

The outfit carries a truck that generates its own electricity for the search lights and in addition they have 12 machine guns of the new 50 calibre type and 12 of the 30 calibre type. The new gun will shoot about 500 times a minute.

There are 28 trucks in the outfit, ranging from the big five-ton size to 3-ton size. They will go from here to Kentland enroute to Sheridan. This outfit has been stationed at Fort Monroe, Va., and is being transferred.

The demonstration of the lights will be held prior to eight o'clock, after which the men will be brought up town. They will also visit the university swimming pool and be given the privileges of the city.

BEST RITES TODAY

The funeral services of Mrs. Chas. Best who passed away at her home on Gillespie street, Thursday night, was held in the Presbyterian church at 2 o'clock this afternoon. Rev. H. A. Sherrill had charge of the services. Miss Alpha Williams sang several beautiful selections and Mrs. Otis accompanied her. The pall bearers were: John Sears, Stanley Sears, Marion Sears, Eugene Browning, Chas. Torr and Lawrence Wright.

The flower bearers were Miss Katherine Houck, Miss Norma Houck, Mrs. Eugene Browning, Miss Mable and Miss Mary Torr, Mrs. John Sears and little Richard Houck, all grandchildren of the deceased.

Among those who were here for the funeral were Miss Katherine Houck of Louisville, Ky.; Miss Norma Houck of Lafayette, and Phillip Best of Conneaut, Ohio.

HOUCK FUNERAL

Funeral services for Mrs. William M. Houck, Greencastle woman, who died at her home, 733 east Washington street, Friday noon, will be held from the home Sunday afternoon at 2:30 o'clock, with Rev. C. Fenwick Reed in charge. Interment will be in Boone cemetery.

Paul bearers will be Lloyd Houck, David Houck, Albert Houck, Glenn H. Lyon, Carl Ferrand and John Day.

Car Crashes Into Building

NOISE OF COLLISION LATE FRIDAY NIGHT HEARD FOR SEVERAL BLOCKS

Crash of a car driven by Curtis Neal, 14 years old, son of Herman Neal, of near Clinton Falls, into the front of the Blumenstein store on east Washington street, Friday night, was heard for several blocks.

Night officers, sitting at the Fire department building, two blocks away heard the crash, and rushed to investigate. They found the car, which belonged to Neil Stinson, of near Vivalia, had suffered considerable damage, but the store front was undamaged.

It was said the Neal boy was learning to drive, and lost control when he backed away from the curb on the opposite side of the street. No arrests were made.

BANK ROBBED

KENDALVILLE, Ind. Aug. 9 (UP)—Two young unmasked bandits locked Clyde Perkins, cashier, in the vault of the Farmers State Bank, Stroh, 12 miles north of here, and escaped with between \$5,000 and \$10,000 today.

TEXAS BANKER KILLED

FORT WORTH, Tex., Aug. 9 (UP)—A bandit's bomb killed two persons, injured a third and wrecked the Stockyards National Bank today.

The dead: F. L. Felton, vice-president of the bank, and the unidentified man who hurled the bomb.

Lynn Marshall, assistant cashier of the bank was critically injured.

GOVERNORS SUMMONED BY PRESIDENT

EXECUTIVES TWELVE STATES TO CONFER WITH HERBERT HOOVER

TO DISCUSS FARM RELIEF

Help To Be Extended In Areas Stricken By Drought. Gov. Leslie In Group

WASHINGTON, Aug. 9.—President Hoover called a White House conference of Governors of twelve states for next Thursday to map out a board co-operative Federal-state program of relief in the drought stricken areas of the country.

The conference was called after the President had received a detailed report from Secretary Hyde showing the "critical aspect" of the situation to be in the shortage of animal feed crops in states of the middle and far Northwest and extending east as far as the Atlantic seaboard. No alarm was felt over the nation's food supply.

Mr. Hoover also conferred late in the day with Ernest P. Bicknell, acting chairman of the American Red Cross and instructed the relief or organization officials to stand by to assist in any possible emergency involving human suffering.

"The situation is one to cause a great deal of concern," the President said in a statement to the press. "But it must be borne in mind that the drought has mainly affected animal feed, the bulk of the direct human food production of the country being abundantly in hand."

"Nevertheless," he added, "there will be a great deal of privation among families in the drought area due to the loss of income and the financial difficulties imposed upon them to carry their animals over the winter."

"The American people will proudly take care of the necessities of their countrymen in time of stress or difficulty. Our first duty is to assure our suffering countrymen that this will be done, that their courage and spirit shall be maintained, and our second duty is to assure an effective organization for its consummation."

The Governors summoned to next week's conference were from Missouri, Arkansas, Illinois, Indiana, Ohio, Kentucky, West Virginia, Virginia, Montana, Kansas, Iowa and Nebraska. Members of the farm board and leading farm organizations representative also will participate.

The preliminary survey of the Agriculture Department showed the animal feed crop shortage to be most acute in the states mentioned. Other Governors may be asked to attend the conference, the President said, as feed crop shortages exist elsewhere.

"In any event," Mr. Hoover said, "in the most acute areas we should lay the foundation for effective local and state organization, the object of which is to prevent suffering among farm families deprived of support and to prevent the sacrifice of live stock more than is necessary."

DOOR MATS TAKEN

A door mat at the home of Mr. and Mrs. P. R. Christie, 210 north College avenue, was taken Friday afternoon during the absence of Mr. and Mrs. Christie. While they were absent between 4 and 5 o'clock a bold thief stole the front door mat. A back door mat was thought to have been taken about the same time the previous day.

Petty thieving has been on the increase in Greencastle recently and theft of mats is another indication of hard times that may result in further depredations. Officers are investigating the theft.

DEATH PENALTY FOR TWO

NEWCASTLE, Pa., Aug. 9 (UP)—Mrs. Irene Schroeder and W. Glen Dague, were sentenced to die in the electric chair for the murder of Corp. Brady Paul, state highway policeman, and their petitions for new trials were refused by Judge R. L. Hildebrand today.

STATE TROOPS PATROL MARION STREETS TODAY

SITUATION TENSE AS RESULT OF LYCHING OF TWO NEGROES

GUARD AGAINST RACE RIOTS

Strong Undercurrent Felt Although City Appears Quiet After Mob Action Thursday Night

MARION, Aug. 9 (UP)—Peaceful to all outward appearances, but acutely aware of an undercurrent of racial antagonism that it feared might flame into open warfare at any moment, the city of Marion today gave itself into the hands of state troops for safekeeping.

Since Wednesday night, when a mob stormed the Grant County Jail, dragged two negroes into the streets, beat and hanged them, there have been mutterings of racial hatreds that boded no good, officials who requested the presence of state soldiers declared.

The troops, numbering about 100 men and in command of Col. George E. Healey, were rushed by special interurbans from Camp Knox, Ky., at the request of Sheriff Jacob Campbell and Mayor Jack Edwards, who said they feared some small disturbance might prove the signal for more mob violence.

Col. Kealey arrived last night by airplane and the two troops, K, of Fort Wayne, and I, of South Bend, both of the 159th infantry, came in at 5:30 a. m., today. The soldiers marched at once to the city hall, where they will be quartered, and half of them were sent out in twos to patrol the streets, principally those of the negro section.

Fresh in the minds of the officials were the memories of the scenes of Wednesday night and Thursday, when two 18-year-old negroes, Thomas Shipp and Abraham Smith were hanged and their bodies allowed to hang gruesomely for hours from maple trees on the court house lawn.

Shipp, Smith and Herbert Cameron, 16, were accused of killing Claude Deeter, a Fairmount youth, and attacking his sweetheart, Miss Mary Ball. Deeter was attacked while driving along a highway, dragged from his car, beaten, robbed and shot.

White citizens of Marion, a city of about 30,000, had been objecting openly for months to leniency which they said was extended negroes accused of crimes. They contended officials were soliciting support in "Johnstown," that section of Marion in which its 1,800 negro residents live.

Comparative calm was restored quickly after the bodies of the two negroes were cut down Friday and sent to Muncie even though it was learned the third negro, Cameron, had escaped through a ruse.

Cameron, it was learned, was the negro dragged from the jail Wednesday night and returned after Sheriff Campbell convinced the mob he was not the youth wanted.

The quiet that came to most sections of the city did not, however, prevail in "Johnstown." One "indignation" meeting of 400 negroes was dispersed by police, but negro leaders told officials trouble was brewing and might flare up at any moment.

The negroes, it was said, were angry because Sheriff Campbell had ordered his deputies not to shoot when the mob stormed the jail, wrecked it and took the prisoners. Campbell defended his action, saying many members of the mob were armed and that if one shot had been fired it would have resulted in a battle in which many innocent persons undoubtedly would have been hurt or killed.

SUIT IN REPLEVIN

George W. Deer and Bert Warbritton filed a suit in replevin in the Putnam Circuit court Friday afternoon against Bert Grey, of near Bainbridge. The plaintiffs seek to recover possession of three white-face two-year-old heifers, alleged wrongfully held by the defendant. Possession of the heifers and damages of \$100, is demanded by the plaintiffs, through their agent, Jesse E. Coffman.

It is said the heifers were taken up by the defendant after they had gotten into a corn field of the defendant, and did considerable damage. Sheriff Edward Eiteljorge took the animals in charge Friday until the suit is adjusted.

Fred V. Thomas is attorney for the plaintiffs.

"POTSY" CLARK RESIGNS

It was reported here today that George "Potsy" Clark, athletic director at Butler University, had resigned. His future plans were not known.

TOGETHER Under ONE Protection

HOW many life insurance policies do you carry? Isn't their common purpose to do one thing—protect those who come after you?

Probably the best plan for you will be to merge your various policies into a single Life Insurance Trust with us as trustee.

This will put the careful investment of the money into our hands. It will be our duty to carry out your wishes

—pay income to those you elect—for as many years as you wish—finally, to hand over the principal to your beneficiaries as you direct.

Thousands of American fathers have seen the wisdom of this plan during the past year, and acted upon it.

Would you like to know more about the Life Insurance Trust idea and how it will work out for your family's benefit? We shall be pleased to explain.

First National Bank

The Oldest Bank in Putnam County

Citizens Trust Co.

The Home Of The Systematic Saver

THE DAILY BANNER
Entered in the Post Office at Greencastle, Indiana, as second class mail matter. Under the act of March 3, 1879.
Subscription price, 10 cents per week.

PERSONAL AND LOCAL NEWS

The Greencastle Band will practice Monday evening at 7:30 o'clock. Members be present on time.

Mrs. F. C. Yeager and daughter, Miss Beulah, have returned home after a few days' stay at Battle Ground.

Mrs. Mable French, who has been visiting with Mr. and Mrs. Russell Alexander, has returned to her home in Washington.

County commissioners met Saturday afternoon in the Court House to continue their survey of estimated expenditures for next year.

Household effects of R. W. Babcock, former professor at DePauw University, were removed to Manhattan, Kas., Saturday, in a moving van from that city.

Fred A. Spray, postmaster at Lebanon, Ind., and Fred Need, sheriff of Clinton Co., were in the city yesterday visiting Postmaster Bartley and Dr. Hawkins.

Miss Lucille Schultz of Parkersburg, W. Va., who has been visiting in the home of Prof. W. Vernon Yttle, has returned to her home. Miss Schultz is a niece of Mrs. Lytle.

Donald Thomas, living south of Manhattan, reports a Pitt bulldog that recently gave birth to 14 fine pups, 13 of which are still living and appear to be unusually healthy.

Mr. and Mrs. William Stiles, west Elizabeth street, have returned from a vacation motor trip to Fort Scott, Kas. They report drought conditions general throughout the Mid-West.

Mrs. Elizabeth Cunningham and two daughters have gone to Detroit for an extended visit with her son, and brother, J. Homer Evans, and Mr. and Mrs. Samuel Cunningham.

All members of the Washburn chapter of D. A. R. are requested to attend the funeral of Mrs. William Houck, which will be held Sunday afternoon at 2:30 o'clock, at the house.

Walter Bidwell, manager of the Vancastle and Granada Theatres, will be in Bloomington Monday when his seven-year-old son, Kenneth Julian, will undergo an operation at the City Hospital there for the removal of tonsils and adenoids.

The college swimming pool will remain open to the public until next Wednesday, W. E. Search, physical director, announced Saturday, and will be closed until the university opens in September. Next Tuesday night, the detachment of the U. S. Coast Artillery which will stop in Greencastle, will be invited to use the pool.

A land terrapin, caught by Harry Foster, Beveridge street, attracted considerable attention when exhibited downtown Saturday. The small turtle has a shell which fully encloses it. Many arguments resulted relative to which end of the head the turtle was on. A shell, with a trap door arrangement, completely encloses the legs and head of the turtle.

The Moffett-Buick Co., has delivered a new Buick to Dr. Hutcheson. It is a coupe model, and is the eighth Buick Dr. Hutcheson has driven. Previous to using Buicks, he had two Hupmobiles and two Overlands. One of the features of Dr. Hutcheson's driving, is that in all the years he has used an automobile, he has never run out of gasoline on the road.

It is probable that, beginning Monday morning, the National Road traffic will be detoured through Greencastle, coming from the east over the Stilesville road and turning south on Bloomington street, following that street, and State Road 43 to the Nation. Later, the detour may be over the Manhattan road to Bloomington street, turning south at that point, which would take the traffic through the business section of town. This detouring is required by the surface treatment of the brick portion of the National road, which will require a week or so. However, the detouring will be during the day work hours only, the National road being opened at night.

JUDGING CONTEST FOR CLUB BOYS IS PANNED
The 4-H boys and girls will have a judging contest during the Fair. The boys' contest will start Thursday morning at 9 o'clock. All corn club boys, as well as those in live stock clubs in the county may enter in the Live Stock Judging. The four boys making the highest scores will be awarded a trip to the State Fair to compete in the State Live Stock Judging contest.

The girls' judging contest will be in the clothing exhibit. It will start Friday morning at 9 o'clock. There will be three girls from each community to take part. The award in the girls' judging contest will be a trip to the Round-Up this coming spring at Purdue, for the four highest scoring girls. These girls will en-

ter in the state judging contest held at Purdue during the Round-Up. The judge will judge live stock on Thursday afternoon at 1 o'clock. The clothing exhibits will be judged on Thursday morning. Baking and food preparation will be judged Thursday afternoon.

BUSINESS OUTLOOK

(Continued from Page One)

Plans for the construction of a new pumping station on White river at an estimated cost of \$14,000 have been adopted by Bedford City council.

A contract to pave East Ninth st., from Washington to Indiana avenue in Bloomington for \$22,700 has been awarded to Buskirk & Dodds.

With fall orders far in excess of what they were at this time last year Indianapolis industries are starting employment.

The Real Silk Hosiery mills has announced night and day shifts on intensive production schedules. Noblitt-Sparks, Inc., reports heavy and Herff-Jones Co., manufacturing jewelers, which recently moved to Indianapolis, expects record business.

Two large orders for contractors' equipment to be used on hydro-electric dam projects in Pennsylvania and Washington have been received by the Insley Manufacturing Company.

Approximately 3,000 men are back on the pay roll of the Big Four railroad in the re-opened Beech Grove shops and the Ford assembly plant here.

With important plane manufacture calling for its products, the Chevrolair Motors, Inc. is going into a large fall production period.

The Indiana Truck Corporation at Marion has announced the start of production on a large line of school buses, which will be manufactured in addition to the light and heavy duty trucks.

CHURCHES

FIRST BAPTIST CHURCH
Rev. William J. Crowder, Minister
Church school, 9:30 a. m.
Murel Davis, Superintendent.
Morning worship, 10:40 a. m.

There will not be any B. Y. P. U. at this church. Everyone is asked to meet at 6:45 at the Presbyterian church. The young people of the city will have charge of the Union service in the Presbyterian church at 7:30.

THE PRESBYTERIAN CHURCH
Victor L. Raphael, Minister
Church school, 9:30. Dr. G. B. Manhart, Supt.
Morning worship, 10:35. G. E. Black will speak.
Union evening service, 7:30 in this church with Young People of all the churches in charge.

METHODIST EPISCOPAL CHURCH
Rev. Albert E. Monger, Minister
Prof. Van Denman Thompson, Minister of Music.
9:30—Church school.
10:40—Morning worship.
Sermon: "The Old vs. the New."
Prof. F. C. Tilden, preaching.
6:45—Union Young People's meeting in the Presbyterian church.
7:30—Union service in charge of Young People's church organizations of the city.

The Union service will be held at the Presbyterian church Sunday evening at 7:30. The program will be given by representatives of the Young People's societies of the churches. "Victories of Faith" will be the topic and will consist of short talks, recitations, a duet, a quartet and congregational singing.

The Young People of all organizations will hold a union meeting at 6:45 in the Presbyterian church.

PUBLIC SALE

On account of having sold my farm, I will sell at public auction on my farm, known as the Church Hessler farm, 1 mile west of Catesville and 4 miles east of Fillmore, on **TUESDAY, AUGUST 12, 1930** at 10 a. m., the following described property:
2 Head Horses—One span mares, 11-year-olds, and will work any place.

Terms of Sale—Cash.
Wm. Pace, Dick Smith, Jim Edwards, Col. A. O. Hunter, Auct.
Alex Bryan, Clerk

PIPE LINE OFFICIALS COMING HERE

HAVE SECURED RIGHT-OF-WAY ACROSS VIGO AND CLAY COUNTIES

TERRE HAUTE, Aug. 9 (UP)—With right-of-way across Vigo and Clay counties secured, representatives of the Gulf Pipe Line Co., who have been making their headquarters here, will soon move on to Greencastle and begin purchasing right-of-way in that territory.

Laying of pipe will begin on the Illinois side of the river by Aug. 15, according to R. L. Dalton, chief of the purchasing staff, and on the Indiana side by the first of September. Local labor will be used largely, although a crew of skilled workers is carried along with the work.

With its principal source of oil at Tulsa, Okla., the pipe line company, as a common carrier, may take up oil from other fields which its line passes on its way to Pittsburgh, Pa., by the way of Indianapolis. The public service commission could force the acceptance of oil within a reasonable distance of the line.

However, there is no probability that any oil will be taken from the Siosi field, near Middletown, by this line, even though it crosses U. S. highway 41 about a mile south of Pimento. The Siosi oil is now being taken by the Illinois Pipe Line Company and the Siosi people say they are quite satisfied with their contract and have no desire to change.

Dalton, with his crew, Otto Weir, E. C. Duncan and A. F. Boone, have been in Terre Haute a month, going out daily to meet owners of farms that lie along the projected route of the line as mapped out by the company's surveyors. They have become attached to Terre Haute during their stay here, they say, and are sorry to leave. After the line has been laid and they return to settle damage claims, they will again make their base here.

CARS CRASH FRIDAY

Two automobiles were damaged but no one was hurt, in a crash on the east Washington street road, near the High Point Filling station, late Friday afternoon.

Cars driven by Mrs. Opal Mahan of Indianapolis and John Rader, of northeast of Greencastle, sideswiped when they attempted to pass in a narrow roadway, resulting from dirt thrown on the highway by employees of the Greencastle Water Company, which is putting in a new water main.

After sideswiping, the car driven by Mrs. Mahan ran into a tree on the south side of Washington street, at the turn, when she was unable to control the machine due to a bent radius rod.

WINNING DEMONSTRATION TEAMS TO GET CUPS

Friday afternoon at 1 o'clock the demonstration teams for the Junior Fair will compete at the Court House. These demonstrations will be for the public. The winning girls demonstration team will receive a free trip to the Round-Up held at Purdue this coming spring. They will enter the demonstration contest held there. Also, they will receive a cup with their name engraved on it.

The winning boys demonstration team in the contest, will also receive a free trip to the Round-Up. Also, they will receive a cup with their

names engraved on it. The cups will be in their possession for one year, then they will go to the winning demonstration team next year.

The dress review contest will be held Friday afternoon at 1 at the Court House. There are five classes in the dress review. All club girls who have made their costume may enter in the class that their costume belongs in. Each girl must make her complete costume. Friday night at 8 o'clock, there will be a dress review of the winning girls in the afternoon for the public.

Mrs. Grose To Visit Dr. and Mrs. Towne

Mrs. George R. Grose, wife of Bishop Grose, now of Los Angeles, Calif., enroute east where she will visit her children, will stop in Greencastle next Monday for a one-day visit with Dr. and Mrs. S. B. Towne. Mrs. Grose will arrive Monday afternoon at 6 o'clock, leaving the following day at the same hour.

Dr. and Mrs. Grose have many friends in Greencastle having resided here for a number of years while Bishop Grose was president of DePauw University. Bishop Grose has been in poor health recently but is now improved sufficiently that Mrs. Grose is able to leave him in the care of friends.

McClellan-Thomas Nuptials Aug. 2

Announcement is made of the marriage of Eva Gloe Thomas, daughter of Mr. and Mrs. Frank Thomas, R. 4 to Alonzo McClellan of Indianapolis, which took place Saturday evening Aug. 2 at the Olive Branch Christian church in Indianapolis, the Rev. E. Lowe officiating. Mr. and Mrs. McClellan were attendants for the bride and bridegroom.

After Aug. 10, Mr. and Mrs. McClellan will be at home in Indianapolis.

Miss Thomas is a graduate of the local high school and has been employed as a stenographer the past year in Indianapolis, for the Luk Belt Co. Mr. McClellan is employed as salesman for Loose-Wiles Co. of Indianapolis.

Mrs. Long Hostess To Friday Circle Club

The Friday Circle Club met with Mrs. Fred Long on Berry Street, 15-day afternoon. Mrs. Lee Williams was in charge of the program. Fourteen members were present. Delicious refreshments were served by the hostess.

W. R. C. To Meet Monday Afternoon

The Woman's Relief Corps will meet Monday in I. O. O. F. hall. There will be initiation of candidates.

League Of Women Voters Met Friday

The League of Women Voters met in the city library Friday afternoon. The following new officers were installed: First Vice Pres., Mrs. Louis H. Dirks, second vice-pres., Mrs. R. J. Gillespie; third vice-pres., Mrs. Thelma Jones and Mrs. H. B. Gough, director. There was a good attendance.

Mrs. R. A. Ogg Honors Guest Friday

Mrs. R. A. Ogg entertained with a piano-supper at her home on South Locust street, Friday afternoon in honor of Mrs. Cora Shelton of Evansville, who is visiting her sister, Mrs. R. L. O'Hair.

AFFIDAVITS DISMISSED
Affidavits charging Mrs. Hattie Crawley, north College avenue, with reckless driving and falling to report an accident, filed by James A. Smith, following an accident on the northwest corner of the square, a week ago have been dismissed by Smith.

It was said an investigation by police revealed that Smith himself was driving a car at the time which he is improper license plates. Rather than risk arrest himself on the license charged Smith decided to withdraw the charges, it was said.

Miss Louise Hamilton, Miss Emilouise Gerhardt and Miss Lucille Allan left last night for Lake James, where they will spend the next few weeks. They left here at midnight and reached Lake James at six o'clock Saturday morning. The distance was slightly more than 200 miles.

BAPTIST CHURCH CHOIR TO CONDUCT SERVICES

In the absence of the pastor, Wm. J. Crowder, the choir of the local First Baptist church will be in charge of the regular morning worship. The entire program of prayer, scripture, sermon, etc., will be made up of standard hymns which are favorites among the members of the church. The program is as follows:
Piano prelude... Sinner and the Song Hymn by congregation. Jesus Calls Us O'er the Tumult.
Hymns of Prayer—
Choir: I Need Thee Every Hour
Song: Have Thine Own Way.
Solo: Dear Lord and Father of Mankind.
Scripture Hymns—
Congregation: Break Thou the Bread of Life.
Choir: The Lord is My Shepherd.
Offertory: I'll Live for Him Who Died for Me.
Hymn by Cong.—Tell Me the Story of Jesus.
Special Numbers—
The Old Rugged Cross.
Pilot of Gallilee.
Beautiful Isle of Somewhere.
God Is Love.
Sermon Hymns—
Cong.: Master, the Tempest Is Raging.
Cong.: God Will Take Care of You.
Cong.: Rescue the Perishing.
Cong.: Let the Lower Lights Be Burning.
Solo: Lead Kindly Light.
Reading.....The Ninety and Nine Benediction...Blest Be the Tie that Binds.
Postlude.

KEEP THEM HEALTHY

Baby's milk should come from the healthiest, well-nourished cows. It should be pasteurized, bottled and delivered under the most hygienic conditions. It should be rich in protein and the essential vitamins.

Handy's milk meets all these requirements.

AT VONCASTLE

To those who think that the heyday of the circus has passed, Pathe's new musical circus romance "Swing High" will particularly appeal. For this spectacular talkie deals with life under

"HAPPINESS OVER THE HILL" HIS LOVE SONG

Fred Scott, brilliant young singer, croons charmingly of love in the days to come, to his fiancée, Helen Twelveteens, a trapeze performer in Pathe's romantic, dramatic, thrilling, talking and singing circus picture, of the sevenies, "Swing High"

Playing at the Voncastle Theatre this Sunday and Monday.

the Big Top as it existed in 1875—the most picturesque period in circus history.

In those days the circus had no machinery to put up and take down its tents, no mechanical contrivances for loading it paraphernalia on railway flat cars, no tractors to pull the heavy loads to and from shipping points.

Instead, its Big Top was erected and torn down by hardy, singing roustabouts who piled their sledgehammers with amazing skill. It moved from town to town by means of its own wagon train, bad weather often meaning mired wagons and a delay in the performance in the next town.

When it was necessary to handle usually heavy loads, elephants were employed. The glamor and romance of the circus at its picturesque best is contained in "Swing High" which will be seen at the Voncastle theatre Sunday and Monday. A complete circus troupe was engaged for its filming, with all the clowns, acrobats, bare-back riders, trapeze performers, wild animals, spangles and glitter that go to make up "the greatest show on earth" playing a part.

The imposing cast includes Chestnut Conklin, Ben Turpin, Dorothy Burgess, Bryant Washburn, George Fawcett, Helen Twelveteens, Stepin Fetchit, Daphne Follard, Robert Edison, Fred Scott, John Sheehan, Mickey Bennett and Fred Langan.

Today only—Bob Steele will be seen in his first all-talking Western Picture "Near The Rainbow's End."

Added Subjects to the Voncastle Saturday Bill are the Final Chapter of "The Voice From The Sky" and a cartoon screen song "La Paloma".

OBITUARY
Emma Elizabeth Browning, daughter of George B. and Elizabeth Hillis, was born at Greencastle on January 1, 1866, and departed this life in the same community on August 1, 1930, aged 64 years, 7 months.

Surviving her are three children, Nellie E. Browning of this city, Geo. H. Browning of Detroit, Mich., and Lawrence Browning of Logansport, Ind., a grandson, George Jr., of Detroit, and two brothers, William H. Hillis of Libby, Montana, and G. H. Hillis of Fair Oaks, Ind. Three sisters, Mrs. Sarah Allen and Mrs. Margaret O'Hair and Mrs. Mary J. Flint, preceded her in death.

On December 24, 1894, she was united in marriage to S. P. Browning. Their married life was passed in the vicinity of Greencastle until Mr. Browning's death, February 15, 1915.

Early in her girlhood, Mrs. Browning joined the Mt. Pleasant Methodist church, then a flourishing rural church which ministered to the social and religious needs of a large constituency. Here she found opportunity for an expression of her deeply religious nature in acts of helpfulness and devotion. Later her membership was transferred to what formerly was the Locust St. Methodist church of this city.

A fine spirit of helpfulness, a readiness to give help to any who stood in need characterized her life, even in the latter days when disease filled her waking moments with pain. A simple, vital religious faith lay back of this spirit; a faith that caught the intent of the Psalmist expressed in the passage which was her favorite in the entire Bible:

The Lord is my Shepherd, I shall not want.
He maketh me to lie down in green pastures;
He leadeth me beside the still waters.
He restoreth my soul.

BARNETT BROS. CIRCUS
The time honored, yet magical, phrase, "Are You Going To The Circus?" is the query most frequently heard these days upon every hand in Greencastle and for miles out in the surrounding country. The Barnett Bros. Big 3 Ring Circus and trained animal show are responsible for the question, arrangements having been completed for them to exhibit in Greencastle on Thursday, August 28, giving two performances, at 2 and 8 p. m., with doors open one hour earlier.

The small boy and girl are correspondingly happy and it goes without saying that their elders have the day marked on their calendar too. This season the spread of canvas covers an area of about four acres and when erected the big tent alone affords comfortable seats for 5,000 people. Overlapping three rings, two elevated stages, and vast hippodrome track, is a veritable maze of rings, ropes and apparatus, upon which dauntless queens and kings of the air twice daily defy death in entertaining the thousands of patrons. Over 300 men, women, children and educated animals are employed in the presentation of the astounding program, from the first to the last number. Act follows act in rapid succession and with such precision and skill as only can be found with Barnett Bros. Circus. Throughout the performance as many as fifteen separate acts are simultaneously presented on the ground or in the air, and one is kept right busy watching the myriad of wonders.

DOG CATCHES "FISH"
LONGMONT, Colo., (UP)—C. R. Reynolds threw his dog into the water to cool the animal off on a hot after-

noon. Reynolds was somewhat surprised when the dog emerged from the water with a 21 inch rainbow trout clinging to its tail.

Society News

Bee Hive Rebekah Lodge Meets On Monday

The Bee Hive Rebekah Lodge will meet Monday evening at 8 o'clock. The initiation which was to have been held, was postponed until the next meeting.

E. E. Huber, 627 east Anderson street, is confined to his bed by illness.

Mr. and Mrs. Lawrence Hazelett, who have been visiting Mr. Hazelett's parents, Mr. and Mrs. S. A. Hazelett and Mrs. George Mason, left for their home at Niagara Falls Saturday afternoon.

Mr. and Mrs. R. W. Raines of Gary and Joy and Jane Smith of Hammond, are the guests of Mr. and Mrs. H. W. Owens. Mrs. H. W. Haines who has been the guest of Mr. and Mrs. Raines accompanied them home.

MAY ARRAIGN TWO

Ralph Bending and Kenneth Kercheval, both of Marion county, held in the county jail on grand larceny charges in connection with the theft of 36 chickens from the Hugh Hicks farm, near Mt. Meridian, were expected to be arraigned in circuit court Saturday afternoon. It was said the grand larceny charges may be reduced to petit larceny, because of the fact that the two men made two trips after the chickens, stealing less than \$25 worth each trip.

RECIPES

Fresh Peach Meringue Pie
Crust
1 cup flour
1-4 teaspoon salt
1-4 cup lard
1-4 cup ice water
Handle dough lightly, and add just enough ice water to hold dough together. Flakes should be coarse. Bake ten to twelve minutes at 450 degrees.

Filling
3 egg whites
3 tablespoons gran. sugar.
1 cup whipping cream
4 tablespoons powd. sugar.
Peaches.
Beat egg whites until stiff, slowly adding granulated sugar. Pour into baked pie shell. Slice peaches very thin and cover meringue. Then add whipped cream which has been combined with powdered sugar.

JUVENILE GANG BATTLE

CHICAGO, Aug. 9 (UP)—Chicago's first juvenile gang battle was held on the west side and there were three casualties.

Its victims were Sam Sharisena, 6, shot through the leg; Billie Korkoras, 8, shot through the thigh; and Florence Moliere, 15, shot through the right foot.

It began as a free for all fist fight, in which Louis Hoda, 11, and Albert Biachi, 7 were the winners, and Teddy and John Obaza, 14 and 12, the losers.

Badly beaten, Teddy and John retreated down an alley. Sam, Billie, Florence and other witnesses gathered around Louis and Albert to congratulate them for their victory. Teddy and John returned. Teddy brought a .22 caliber rifle, almost as tall as himself. John brought the bullets and handed them to Teddy who, reclining on one knee, fired into the group. Sam, Billie and Florence fell and were taken to a hospital. Teddy and John ran, were captured and taken to the juvenile detention home.

Lesson for August 10

HANNAH, A GODLY MOTHER

LESSON TEXT—1 Samuel 1:9-18, 24:28, 2:19.
GOLDEN TEXT—My son, hear the instruction of thy father, and forsake not the law of thy mother.
PRIMARY TOPIC—Hannah's Prayer Answered.
JUNIOR TOPIC—Hannah's Prayer Answered.
INTERMEDIATE AND SENIOR TOPIC—How Can We Honor Our Parents?
YOUNG PEOPLE AND ADULT TOPIC—The Value of a Godly Home.

I. Hannah's Sore Trial (1:9-18).
Elkanah had two wives in violation of God's law. God's primal thought for man was one wife. Therefore, for Adam he made Eve. Hannah's sore trial grew out of jealousy which naturally springs up between two women, wives of one man. The violation of this law of God concerning marriage has always been attended with trouble.

II. Hannah's Prayer (1:9-18).
She had the good sense to take her troubles to the Lord. This believers should do, even though the troubles result from sin.

1. Her bitterness of soul (v. 10).
Though Elkanah loved her and sought to lighten her burden, he was unable to bring to her the needed solace.

2. Her vow (v. 11).
Hannah prayed, asking God for a son. The name Samuel means "asked of God." In connection with her asking this gift from God, she vowed to give the child back to God. Much can be expected of children born into the world under such circumstances.

3. Hannah misjudged by Eli the priest (vv. 12-16).
The priest observing the motion of her lips and not hearing the sound of her voice concluded that she was intoxicated and demanded that she put away wine. She defended herself against this inference.

4. Blessed by Eli (v. 17, 18).
Following her explanation he pronounced a blessing upon her, joining in the prayer that God would grant her petition.

III. Hannah Gives Samuel to the Lord (vv. 24-28).

For a time she cared for Samuel in the home. Always the best nurse for a child is its mother. According to her vow, at an early age she took Samuel to the sanctuary and gave him over to the charge of Eli, the priest, to minister therein. We thus see in his tender years Samuel's ministering before the Lord.

IV. Samuel's Ministry (ch. 3).

1. His call (v. 1-19).

(1) The occasion.
From his birth Samuel was dedicated to the service of the Lord. While going about his regular duties the Lord spoke unto him. In Samuel we have a striking pattern of child religion. In the Scriptures we have set forth two types of experience: First, the one who experiences God's saving grace after having lived in sin; second, the one brought up in the nurture and admonition of the Lord from infancy.

(2) His obedience.
When the divine voice was discerned Samuel rendered immediate obedience. He expressed his willingness before he knew what was required. He did not inquire what was wanted and then let his obedience depend upon the agreeableness of the command.

2. Samuel's prophetic message (vv. 11-15).

The time has now come for him to pass from the authority of Eli to that of the Lord. The first message entrusted to him was a most terrible one. He hesitated to tell it to Eli, but being pressed, he manifested true courage. It must have been a bitter experience to Eli to see Samuel recognized and himself passed by. This fearful visitation of judgment upon Eli's house was due to the sins of his sons. Eli was held responsible for not restraining them. He seems to have been a good man but lax in the discipline of his children. Parental laxity is most cruel. To tolerate evil when one has the power to restrain it is to become party to it.

V. Samuel Established in the Prophetic Office (3:19-21).

"And Samuel grew, and the Lord was with him, and did let none of his words fall to the ground. And all Israel from Dan even to Beersheba knew that Samuel was established to be a prophet to the Lord." Little did Hannah know that the boy who had been given in answer to her prayer would one day become the spiritual head of the nation. Truly, he that honors God shall be honored by God.

Character Most Important

The great equipment of the soul-winner is character. It is a false notion that we must meet the world on its own level—drink to win the drinker, smoke to win the smoker, and play the world's games in order to win it to Christ.—Richard Hobbs.

An Offering

Mirth is the sweet wine of human life. It should be offered sparkling with zealous life unto God.—Henry Ward Beecher.

INHERITANCE TAXES

INDIANAPOLIS, Aug. 9 (UP)—Inheritance tax collections for the first three-quarters of the present fiscal year amounted to \$110,000 more than the total collected in 1929, Clarence B. Ullum, administrator announced today.

Indiana collected \$633,648.72 on 682 resident estates whose valuation was \$24,565,898.40 and \$8,475.14 on 36 non-resident estates with a valuation of \$819,426.12, during this quarter. It is anticipated that the last quarter collections will amount to \$300,000. Allen county collections were \$8,785.26 on 38 estates with a net valuation of \$635,551.36.

Decatur county collections on nine estates valued at \$501,948.57 were \$9,817.94.

Marion county collections were \$30,217.26 on 105 estates valued at \$13,533,670.47.

In Lake county 28 estates having a net valuation of \$348,833.04 paid a total tax of \$3,436.79.

In Elkhart county 19 estates with a net valuation of \$276,015.60 paid a total tax of \$3,218.10.

Total taxes in Grant county amounted to \$603.02 on 11 estates with a net valuation of \$123,954.92.

The net valuation of decedents' estates in St. Joseph county amounted

to \$1,550,909.19, representing 26 estates which paid a total tax of \$72,511.91.

In Vanderburgh county, 26 estates with a net valuation of \$836,386.71, paid a total tax of \$9,498.15.

Vigo county with 23 estates valued at \$318,199.59, paid a tax of \$5,519.94.

In Wayne county, 152 estates whose net valuation was \$211,795.45, paid a total tax of \$5,047.98.

Three estates in Wabash county paid a tax of \$4,115.62 with a total net valuation of \$118,909.12.

DISCUSS PIPE LINE

SPRINGFIELD, Ill., Aug. 9 (UP)—Farmers and landowners from 12 counties in Central Illinois attended a meeting here today to discuss plans for a proposed pipe line from Kansas City, Mo., to Indianapolis, Ind., which will cross Central Illinois.

The line which will be operated by the Panhandle and Eastern Pipe Line Co., will be 24 inches in diameter and will carry natural gas.

Entering the state in Pike county, the line, according to tentative plans, will cross the state in a direct line and enter Indiana from Edgar county. Spurs on the line will pipe the gas to cities adjacent to the line in various parts of this section. The gas will be used for both industrial and domestic purposes.

It is understood that the pipe line company plans to offer farmers 50 cents a rod or approximately \$80 a mile for use of land. No indication was given as to whether allowances for damages done to crops in placing the line would be offered farmers but it was assumed by those attending the meeting that they would be given \$2.50 a mile for such damage.

The proposed line would cross north of Putnam county, according to the preliminary survey.

TREE SITTER GETS OFFERS

HARTFORD CITY, Aug. 6 (UP)—Gerald Pettitt, 15, who climbed a tree in front of the Washington Inn announced he would stay there until offered a home, has received an offer but will continue tree-sitting in hopes of more and better bids.

A Kempton, Ind., man, who refuses to give his name, has offered him a home, food, suit of clothes and support while going to school. The only condition of the offer is that Pettitt do odd chores about the house.

Young Pettitt is one of a family of six. After his mother died, his father placed the children in various homes and Gerald went to live in the Washington Inn.

He became dissatisfied a short time ago and announced he would climb a tree to better his situation. The offer received is highly satisfactory but he is holding for something "closer home," that is, in Hartford City.

If no other offers are forthcoming he will accept the Kempton home around Labor Day.

TO RAZE STANDPIPE

SOUTH BEND, Aug. 6 (UP)—A water standpipe built 57 years ago is being razed here. The pipe, which is built of brick to a height of 220 feet, was recently declared in danger of falling and its destruction ordered.

The first step in the razing was removal of a shiny ball four feet in diameter from the top of the pipe. The ball will be placed in the museum of the Northern Indiana Historical Society.
